OVERVIEW

Al Wadood Trading, Contracting & Services W.L.L. was founded in 2009 with Trading & Contracting business in beginning and later also started providing services looking at the demand of industry. Our basic moto is to provide best solution to huge companies in what we are good at. We studied Qatar's market very well and started our Heavy Equipment rental department as Qatar is keen to develop its country and nation and looking upon the history of completed, ongoing and upcoming projects it is a best opportunity to excel in business like Heavy Machinery and be a part of the huge construction business of Qatar. Thanks to government companies for large investments in every aspect of construction filed which has encouraged organizations like us to participate in such environment of business.

CHAIRMAN'S MESSAGE

Al Wadood Trading, Contracting & Services W.L.L. started in 2009 with a focus on Heavy Equipment Rental Business. From modest beginnings, Al Wadood Trading, Contracting & Services W.L.L. has grown rapidly, just like the state of Qatar. We are committed to provide high quality of work on time and within budget because of this, our client base continues to grow. Most of our clients repeatedly award work to Al Wadood Trading, Contracting & Services W.L.L. they know we have the skills, resources and expertise, and most importantly, the ability to complete their projects to the highest standards, on time. In the beginning, we had few equipment and employees - today we own over 100 mixed machinery and many of our staff are with us right from the beginning of the business. We are now among the top suppliers & rental companies. Our major challenge is to sustain the growth we generated till date. We are proud of our past and we have an active present and we look forward to a promising future.

Regards,
KHADIM FAROOQ ABDUL WADOOD FAROOQ

MISSION, VISSION & VALUES

OUR MISSION

WTCS management is committed to provide customers with the best quality products and services in the above-mentioned fields of operation. Our mission is to ensure total satisfaction of our customers through continual improvement of our services dedicated in achieving and maintaining excellence in all aspects of our activities. Thus, we recognize and accept the responsibility to: Meet and exceed our client's expectations the first time and every time. Control the hazards and risks posed by our activities and operations to our employees, clients, visitors and other third parties. WTCS provides the highest service standards to his clients ensuring career opportunities to his employees and continuous support to the society. To form long-term relationships of value with our clients and partners by using quality construction and engineering solutions whilst employing the best resources and latest technology and techniques. Operate without causing any adverse impact to the environment. Ensure total customer satisfaction by providing best quality products and services along with the efficient and timely delivery of the same. Streamline and continuously improve our processes to meet and exceed our client's requirements. Train our staff to equip them with the necessary tools to perform their tasks safely, efficiently, and competently. Comply with all applicable legal requirements and improve our occupational health and safety performance by providing a safe and secure work environment to our employees, clients and other third parties through the control of hazards and risks.

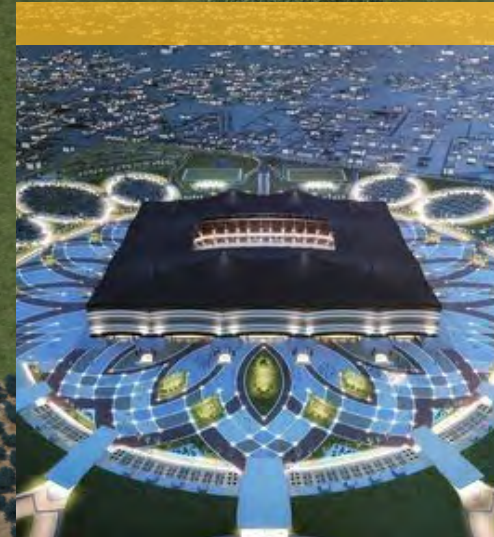

OUR VISION

Our vision is to be leaders in the Heavy Machinery related to construction and engineering field, innovative in our technology, proactive in our management and transparent in all our dealings with clients. Our main concern is to be the leading provider of quality construction and engineering related service, not only in Qatar but all over the GCC as well. Our aim is to be Qatar builder's choice. We go beyond the normal notions of building and infrastructure to create intelligent spaces built to grow with Qatar's population. We assist each customer to achieve their vision through targeted investment, design, construction and support services.

WTCS supports FIFA World Cup 2022 and Qatar's National Vision 2030 to ensure a stable and prosperous economy which benefits Qatari people now and in future. We are using our decades of local and international knowledge and experience to ensure Qatar's continued advancement in human, social, economic and environmental development. WTCS's expertise enables us to bring valuable insight to your project, which ultimately helps you deliver your vision. We believe in three simple principles, build sustainably so we protect the future environment, bring world-class quality to each project and design to reflect our clients' brands.

VALUES

Corporate Culture: Diversity and continued development, transparency, teamwork and integrity.
